ROBERT E. LEE

HIGH SCHOOL

SPRINGFIELD, VIRGINIA

EDITOR: NANCY HASTINGS

ADVISOR: CAPT. M. S. CHRISTIE

Faces - '64

We dedicate  
the 1964 Shield  
to the obscure faces that  
we can't really remember;  
the vital faces  
that lurk  
in the back of our minds,  
their features forgotten,  
but their accomplishments  
still remembered;  
the blurred faces  
that are associated with  
the many memories of  
the year 1964.  
Those forgotten faces  
were the external skin,  
the superficial sign  
of the great spirit, pep,  
and pride  
that lay beneath  
their features  
and made ROBERT E. LEE  
a different school  
in 1964.  
The faces often  
became blurred into  
one face —  
the fresh young face of  
unity,  
the unity of 1800  
students acting as one  
to establish the name  
of a proud school.  
Yet, each face  
was an individual,  
striving to achieve his  
own particular goal  
in a school where such  
striving is encouraged  
and admired.  
The contributions  
of the faces cannot be  
measured in terms  
of awards, honors, and fame,  
but in terms of  
lasting memories.

# Academics

## Academics

academics is  
 scimedaca spelled backwards  
 it is  $2+2=4$  and  
 $R_{\mu\nu} + \frac{1}{2}G_{\mu\nu}^{x\cdot\Omega} = (16\pi/C^4) \times$   
 it is a home ec class full of  
 young champions of apple pie  
 and motherhood  
 academics is a barn red  
 quonset hut with  
 "mr. hepp, i have taken the  
 tiki and gone crazy  
 leave \$2,000 and it's yours"  
 written on the blackboard  
 it is oedipus rex  
 in the auditorium  
 and laissez-moi tranquille  
 in the language lab  
 academics is studying  
 on the stairs during lunch  
 in the college catalogue room  
 on the grass in the senior court  
 or on the john in the restroom  
 it is turning in a time writing  
 with no mistakes  
 academics is also having  
 something to do in study hall  
 or nothing to do on weekends  
 it is "the heartache and the  
 thousand natural shocks  
 that flesh is heir to"  
 academics is happiness at

## Principal

William C. Parrish

School spirit is one of those intangible ingredients necessary for a good institution. Since Robert E. Lee High School opened its doors in 1958, we have been most fortunate in having an enthusiastic student body. We have good student-leaders and through the years our student body and faculty have worked cooperatively in building school spirit. Lee maintains high academic standards and a large percentage of our graduating seniors are placed in schools and colleges all over the United States and abroad.

We have a good athletic program; this fall our football team was outstanding.

As you, the graduating seniors, take your places in the world, you will have just cause to look back on Robert E. Lee High School with pride.

# Guidance

The Guidance Department fulfills an extremely important function in the lives of Lee's students. It administers a wide testing program and guides the student toward gaining insight into his own problems and choosing the proper courses in order to prepare for a career or further education.

Less recognized is the fine job done in the field of public relations. Through contact with the home and community the image of Lee and her students is constantly projected before the public.

# Secretaries

The secretaries' duties include the performance of clerical and financial jobs in the school office, guidance department, and book store. The efficiency with which these three main offices are run is of vital importance to Lee.

**Mrs. Saro Tilson**  
Head Administrative Secretary

**Mrs. Dorothy Newell**

# Library

Lee High School has an excellent library which provides the student with the opportunity to gain interest and knowledge in a variety of fields. The large reference section makes reference material of all kinds available for use by the students. The library has the largest audio-visual department in the area and an excellent periodical section. Books ranging in subject from science and history to mystery and drama can be found on its shelves. The library is a profitable place to visit whether for reference work or reading.

## Nurse

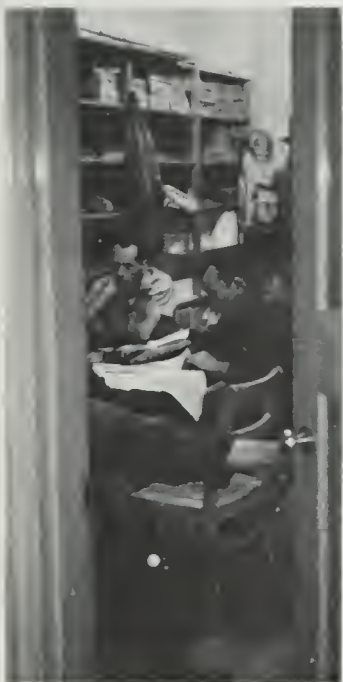

Lee's students are deeply grateful to Mrs. Mainwaring for the help she has given many of us in times of illness or injury. The clinic and school nurse are both vital to the smooth operation of the school.

## Cafeteria

The students of Lee are indebted to the cafeteria staff for the hot lunches that are served in the cafeteria each school day. The staff works diligently to keep the cafeteria clean and neat and are of vital importance to the efficient management of the school.

## Janitorial Staff

Lee's janitors are responsible for the clean appearance of the school each day. Their's is a job which is often overlooked but which is, needless to say, indispensable to the good name of Robert E. Lee High School.

## English

English and American literature, grammar, vocabulary, the art of speaking, creative writing, and dramatics are the basic subjects taught by the English Department.

This year an experimental modern literature book was tested for future use. Also, a series of Humanities films was shown to Junior and Senior English classes throughout the year for the purpose of supplementing regular courses and encouraging better understanding of the subject matter. The probing commentary on **Hamlet** found in four of the films interested even the most unwilling student and proved to be one of the highlights of the academic year.

# Language

The Language Laboratory and audio-visual aids were a tremendous help in teaching students French, German, or Spanish this year.

As well as stressing the fluent speaking and writing of the language itself, the Language Department taught the customs and traditions of the country for the purpose of creating within the student a thorough understanding of each course.

## Social Studies

The Social Studies Department started the year off with a bang when the government classes staged mock county elections. Candidates for the offices who spoke at Lee were amazed at the knowledge of county politics which was shown by the students' questions.

A new innovation this year was a program of team-teaching. Started among the social studies teachers to help the students gain as much as possible from their course, it has been very successful.

Throughout the year standard textbooks were supplemented by various speakers and field trips, giving realism to the printed word.

The Social Studies Department plays a large role in preparing the students of Lee for their future responsibilities as citizens of the United States.

## Math

The Math Department broadens its horizons each year by extending old courses or adding new ones.

This year Algebra I was extended over a two year period instead of the usual one year period. An experiment in the teaching of Introductory Algebra has been conducted by the School Math Study Group for the past two years.

Other math courses offered to Lee's students are Algebra II and III, Intermediate Algebra, Plane and Solid Geometry, Trigonometry, and Functions and Matrices.

"Let's add a few drops of water to the HCl . . ."

## Science

As Lee's earth science students were exploring the mystery of the earth's structure, the biology students were tramping through poison ivy to count the various plants in their assigned plots of ground.

A new course in chemistry was offered along with the standard chemistry course. Chemical Bond Approach deals with chemical bonds and requires a greater knowledge of electricity and mathematics than does standard chemistry. Both the Physical Science Study Program and conventional physics were taught. All of the biology classes used the Green Version Ecological approach of the Biological Science Curriculum Study Course this year.

All of the courses offered by the Science Department at Lee give students a fascinating look into the world of science, presenting them with opportunities and challenges that can lead to exciting and profitable careers.

# Industrial Art

The Industrial Arts Department serves to instruct students in working with wood, metal, and precision instruments, giving them the opportunity to prepare for jobs in industry.

Students are offered courses in Mechanical Drawing, Architectural Drawing, Research and Experimentation, woodshop, and metalshop.

## Home Economics

The sense that something was cooking could often be felt by students passing near the Home Ec. rooms this year—and they were right. Something was always "cooking" whether it was chocolate chip cookies or just a lesson in child care. Future homemakers learned by experience the art of keeping their own homes, under the expert supervision of the Home Ec. teachers.

Child care, nutrition and foods, clothing and management, personal grooming, and home nursing were the seven major fields of study.

## Business

Everyone should have an interest in the Business Department. A high school student who plans to go out into the commercial world after graduation can obtain the practical experience and training that he will need by taking courses in typing, shorthand, bookkeeping, business math, or commercial law and economics.

An academic student who intends to go on to college but needs a basic knowledge of typing and shorthand for his own use may take a course in personal typing and shorthand.

"And furthermore, if I am elected, I will . . ."

Students gain the skill and knowledge they need by tackling each day's work with bright-eyed enthusiasm.

## Vocational Office Training

The several seniors at Lee who are participating in the V.O.T. program have the opportunity to take a regular high school course and at the same time to acquire practical training for an office job. Vocational Office Training is a program which prepares these seniors for careers in business by giving them actual contact with the job under competent supervision.

## Physical Education

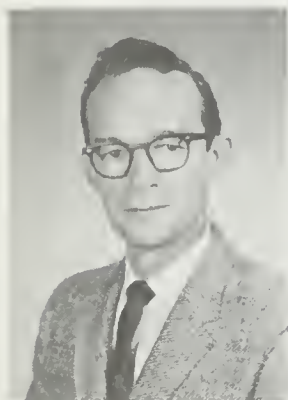

Lee's Physical Education Department stresses good sportsmanship as well as skill in athletics. Sports ranging from field hockey to baseball do their part in keeping the students physically fit. Also included in the curriculum are driver's education, mental health, first aid, and health.

The Physical Education Department also sponsors a large program of organized extra-curricular sports.

## Music

Through participating in the choruses and bands of our Music Department the students at Lee have the opportunity to learn about music. As well as learning music theory students gain invaluable experience through preparing and presenting concerts for the public. The success of the several concerts presented this year was a tribute to both our chorus director and our band director who were new this year to Lee.

## Art

Snakes made of beer cans, pencil sharpener elephants, and various odd-shaped men made of rusty automobile parts turned the art rooms into a junk yard this past fall. This experiment in junk art was only one of many new art forms attempted in rooms 227 and 225 this year.

The annual field trip to New York was taken in November. Many students were surprised to find near likenesses of their own junk art in the Whitney and Guggenheim museums.

# Powderpuff Game

Senior girls displayed some of the tricky tactics used in playing smashing football in the annual Powderpuff football game. The rival teams comprised the greater part of the Senior class. The two teams were the Farris Finks, captained by Linda Farris, and the Scarlet Lettermen, co-captained by Gidget Pilon and Linda Winda Winslow.

The first touchdown, scored by Carolyn Raftery, put the Scarlet Letterman ahead, 6-0. Then the tables turned as Pam Ballenger scored the second touchdown to tie the game, 6-6.

Adding beauty to the game, were some of the most attractive legs in the class, those of the boy cheerleaders. These hairy legged lovelies added their extra touch to make the Powderpuff game, if not great football, at least a major riot.

## Halloween

The Class of '64 carried on the newly established tradition of Senior Halloween Day with a mod variety of unusual costumes. An outhouse marched boldly through the building. Several notables arrived. Adolf Hitler casually participated in a chemistry class, the Pharaoh of ancient Egypt strolled into an English class, and an Arabian sheik sought frantically for an addition to his harem. Roggety Ann and Andy and many of their friends roamed the halls. Not even "Big John" Moore could account for his blond twin. Queen of the Day was Miss Halloween, an enticing and beautifully arrayed creature. In addition to these amazing characters, there were several tribes of Indians, some clans of hillbillies, a few deserters from the Army, and various staggering drunks. Although only one ghost dared to appear, the gala event was complete as Santo himself arrived on the scene.

## Senior Tea

The fifth graduating class of Robert E. Lee High School was honored with a reception given by the principal and faculty on February 9.

The library hummed with activity as the seniors attempted to steer their parents clear of certain teachers or towards others. Tables were beautifully arranged with spring flowers in a predominantly pink and silver color scheme and the assortment of fancy cookies and sandwiches disappeared rapidly.

This event proved to be an enjoyable introduction to the many festivities preceding the 1964 graduation.

Junior Class Sponsors: Mrs. Bolt and Mr. Shears.

## Juniors - Class of '65

Organization, hard work, and eagerness led the Juniors to great heights this year. Choosing the Beaver as their symbol, the Class of '65 made great strides toward making themselves one of the best classes at Lee.

A new institution which aided greatly in the organization of the class was the Junior Council. Through a council member in each homeroom, Juniors participated more freely and energetically in class activities. However, the council was only a tool used to direct the work of the entire class.

The hard work of the Juniors was the responsible factor in so many of their successes such as their beautiful Homecoming float and the Junior-Senior Play. In order to build up their treasury, the Juniors sold pep signs and Junior girls gave excellent shoe shines for a dime. Money was also made on a sack hop.

Beginning this year, Junior eagerness was sparked with new life as more and more class members took new interest in such projects as the class newspaper, the Junior Jargon. Class spirit was demonstrated at the Junior-Senior Soccer and Basketball Games and school spirit by the class goalpost sign. Juniors brought a remarkable amount of money to the Care drive and won the Keyette turtle race for Muscular Dystrophy.

The class of '65 would especially like to express its sincere appreciation to its three fine sponsors for their guidance in making this such an outstanding year.

## Sophomores Class of '66

As the end of school draws near we can look back and see the many achievements we have made this year. The Sophomore Class has added much to the prestige of Robert E. Lee High School, an achievement of which we can be extremely proud.

Almost two years have passed since we entered the halls of Lee, two years that have been most challenging, but the years ahead promise to be even more challenging.

## Freshmen Class of '67

Our Freshman Class, the Class of '67, makes up a great segment of Robert E. Lee High School. Last fall when we walked through the doors of Lee we met a greater responsibility than we had ever met before and the challenge which high school presents. Our class, the largest at Lee, has risen to meet the challenge of our Freshman year, as shown by our enthusiastic elections, representation at Homecoming, and forming of a class council.

We have met this year's challenge but the real test lies ahead. The challenge to rise to greater heights of education and the responsibility to carry on the high standards of Robert E. Lee High School lies on our shoulders. For this we welcome the oncoming three years.

The Game reflects a million faces—  
 impassive referees  
 and tearful spectators whose hot dog  
 buns get soggy in the rain,  
 lonely wrestling fans scattered  
 on the gym stands  
 contemplating blue tights,  
 or confused bouncing basketball watchers.  
 It holds a million joys

## Mount Vernon

Opening their season against the Mount Vernon Majors on September 6, the Lancers found that the under-rated Mount Vernon boys were better than had been expected. Lee scored in the first quarter with a smashing drive by fullback Mike Poole. Kicking the extra point, Mike Malone pushed the score up to 7-0. The Majors bounced back in the second quarter and evened the score at 7-7. Before the end of the first half, Lee scored once more with a long pass thrown by Poole to quarterback Bob Allen. The extra point was blocked by the Majors.

Coming back into the third quarter, a much more determined Mount Vernon squad presented the Lancers with drive after drive and managed to take a 14-13 lead.

Grimly realizing that a loss was possible, the Lancers united and charged into the fourth quarter with a spirit which justified the crowd's tremendous support. With a supreme effort the Lee eleven managed to ram the ball into the Major end zone with three minutes remaining in the game. The try for the extra point failed and the final score of the night was Lee 19, Mount Vernon 14.

With such an auspicious beginning, the Lancers could rightly look forward to their best season yet. In the stands, Lee fans counted on spending their Friday nights in vigorous support of their team.

## Osbourne

Lee added another victory to its record as the Lancers walked over the Yellowjackets, 25-6. Mike Poole scored the first and third touchdowns, the first on a run from the Osbourne 31 yard line and the third on a two yard plunge. The second Lee touchdown was made by Jim Nichols on a two yard plunge. Bill Sutpin converted for the extra point. Our final touchdown was scored by Trip Clarke on an end run from the Yellowjackets' 11 yard line.

## Groveton

For their third straight win the Lancers pounded Groveton 31-7. Intercepting a pass after Lee's kick-off, Jim Nichols set up a touchdown play of Mike Poole to Randy Maffet for a 46 yard touchdown. Steve Simon sprinted across to make the score 13-0 at the end of the half.

Opening the second half, Fullback Paole crashed across the goal line for an early score in the third quarter on a two yard drive off tackle. The Tigers made their only scare of the night late in the third quarter on a short drive around end. Putting the ball through the uprights, the Groveton Squad made a vain attempt to come back, but all hope was gone when Allen passed to Simon for a 34 yard touchdown.

## Edison

Beginning a rivalry which is expected to last as long as the two schools exist, Lee took on Edison on the home field. Neither team scored in the first half. During the half time, the Lancers were treated to an invigorating pep talk by Coach Baumgartner and took the field with renewed determination. However an Edison touchdown and P.A.T. drew first blood. The crowd roared as Poole fought back for the first Lee touchdown. Randy Maffet scored again and with the extra point by Bill "Drac" Sutfin the score jumped to 7-13.

On the final drive of the night Bobby Allen scooted across the line and put the Lancers ahead by a 12 point lead which was not relinquished for the few remaining minutes of the game.

## Stuart

Continuing their streak of wins the Lancers beat the Roiders 12-0, to go to the top of the Northern Virginia Group 1A League.

A Stuart fumble on the kickoff was recovered by defensive guard Joe Flynn on the Stuart 20. Two plays later Steve Simon ran 18 yards for the first touchdown with 1:34 on the clock; the score was 6-0. Crashing linebacker Tripp Clorke recovered a bad pass from center and the Lancers were once again in scoring position. Quarterback Allen gave the ball to Mike Poole, who went across for his eighth touchdown of the year. The P.A.T. foiled and the score was 12-0.

From this point on, the game was a defensive stalemate. In the fourth quarter Lee advanced to the Stuart ONE yard line, but could not score.

## Madison

Lee's most productive effort of the year came against the Warhawks as Lee stunned Madison 33-7. Poole spearheaded the attack by scoring four touchdowns, breaking Earl Flinchum's record of eleven last year. Aside from the one interception play by Larry Dunn the game lacked its usual enthusiasm. Mike Poole and Bobby Allen teamed up to give Lee its most formidable striking Team. The two teams showed a great effort in both offensive and defensive plays.

It could be described as perhaps the finest game seen by Lancer fans in a long time.

## McLean

In facing the Highlanders from McLean, Lee had perhaps the most difficult and important game of the year. Lee had been rated #2 by the Metropolitan polls and was contesting for #1 in the Northern Virginia League. The time was right but Fate reigned in Lancertown and the seventh straight victory never came.

Playing an excellent defensive game against two of the finest backs in the area, Trapnell and Luxford, the Lancers held off a fine offensive effort on the part of McLean and would have won the game if the offensive had had just an average night. Poor blocking and mixed assignments caused the perpetual tackles behind the line of scrimmage which cast Lee so heavily. The winning touchdown for McLean came on a 13 yard line drive by Luxford.

## Falls Church

After a gloomy defeat to the Highlanders Lee regained its winning form by juggling the Jaguars for a 20-0 trouncing. Led by full-back Poole the Lancers ripped their way down field where Simon smashed his way into Jaguar country as he put up the first score lights of the night for Lee. The extra point attempt failed and the crowd settled down to watch two strong teams pound themselves to a pulp. However defensive back Jack King had other plans as he nabbed a punt on the 27 yard line and ran it right down the Jaguar's throats to add another 6 points. Poole set the score at 13-0 on a sweep around end.

The final score of the night came when Poole ground out a 57 yard drive for the last touchdown. Also racking up the extra point, he closed the score book with a 20-0 victory for Lee.

# Hammond

Poole and Allen paced Lee to their eighth win of the season as the Lancers walked over Hammond 19-6. The driving rain restricted neither Allen or Poole as they scored one and two touchdowns respectively. Hammond made its one tally for the night as quarterback Bob Jones crashed through the tiring Lee defensive line.

As has been the case all season, the defense played good hard football. Though they are seldom recognized, all players on the defense deserve as much credit for winning the games as the offensive team.

# Fairfax

Finishing its scheduled games, Lee played host to the Rebels. Fairfax received and plowed seventy-six yards to set up the first score. Six plays later Fairfax scored again and the score was 12-0. The Lancers received the kick and with renewed spirit, workhorse Poole romped across for the Lee squad's only first half tally. The extra point, also by Poole, left the first half at 12-7.

In the second half Esparanza, the Fairfax co-captain, scored three times. Poole scored in the last quarter in a twelve yard sweep around the end and again he ran the extra point. With only a few minutes remaining, Poole again scored. Fairfax ran out the clock and won their fourth game of the year.

Ironically, this loss climaxed Lee's best football season yet. With a record of eight wins and two losses, the Lancers found themselves held in high esteem by other area schools for their good sportsmanship and school spirit besides their football prowess. The 1963 football team has left a sparkling addition to an otherwise drab record of average seasons.

. . . and all  
good things  
must come  
to an end . . .

# Freshman Football

The Frosh squad at Lee showed up 157 strong—a true representation of the type of spirit which enhances our beloved school. It was necessary to cut the squad down to a workable group, hence, our coach, Mr. Evans, had his hands full.

The prime purpose here is not to win alone but to protect the growing boy and at the same time develop the much needed fundamentals upon graduation to the J.V. and Varsity team.

We had a number of outstanding players—Captain Tom Fauls (son of Jerry Fauls who is JEB Stuart’s head football coach) was voted “The Outstanding Frosh Football Player for 1963” by his teammates.

With the kind of courage and desire exhibited by the 1963 Frosh our future is in fine shape.

The 1964 Varsity Basketball team had an exciting but rather unproductive season with a 3-15 record. The most exciting games, such as the Washington-Lee game with three overtimes, were lost only by one or two points.

Individual players had good nights but were unable to function effectively all together. Team captain Bob Allen was high scorer supported by Mike Peters, Bob Lindfelt, Jim Andrews, and Denny Lucas. Chipmunk & Co. boosted the team from the bench and added much to the determination and spirit of the squad.

Turning in one of the most thrilling performances of the year, Bob Allen scored the winning two points in the last two seconds of the Madison game with a half court jump shot.

## J. V. Basketball

The Junior Varsity basketball team shawed up the Varsity with its 9-8 recard. Vance Tuck, Lee Krick, and Mark Brumbaugh led the team over such powerful appanents as Washngtan-Lee, Annandale, McLean, Fairfax, Maunt Vernan, Grovetan, Madison, and Ham-mand.

The bright spat of the year was the Lancers de-feat of Washington-Lee, the first victory over their team in Lee's history.

## Frosh Basketball

The 1964 Freshman basketball team, coached by Mr. Shears finished the season with a 6-4 record. The team enjoyed victories over two arch-rivals, Edison and Annandale. Dave Turner was voted most valuable player on the squad. The team should provide plenty of material for next year's J.V. team.

A schedule of seven games found sixteen hopefuls trying for ten tennis team positions. After appeals for court space were made, Springfield Recreation Association and North Springfield Recreation Association offered the use of their courts for practice sessions and home matches. This was the picture as Lee added Varsity Tennis to its athletic roster. Coached by Capt. Christie and captained by Stan Gray, a successful first season was anticipated.

## Rifle

The 1963-64 rifle team ran into rough competition this season. Under the watchful eye of Col. Koehler, they managed to solve one victory, over O'Connell. In their last two matches they lost to Wokefield; the first match by one point, and the second by six points. There are only two Seniors on the team, so the team should look forward to a good record next year.

## Track

The 1964 track team looked forward to a very promising season. Coached by Mr. Evans and Mr. Brown, the team had home meets for the first time this year. Tom Gagner broke the Wakefield Invitational pole vaulting record with 13'11" and Jack Culatta's school record of 12'6". Bob McDonald broke the school record for the mile with a time of 4:30. He also broke the Wakefield Invitational record for the half mile with a time of 1:58.1.

# Varsity Hockey

Probably the most exhilarating sport offered to the sports-inclined girl at Lee, is Field Hockey. Under the Varsity coaching of Miss Rowe, there are unlimited opportunities to develop and display both team coordination and individual competence. Characteristics of this year's team was its strong defense, never allowing more than two points to be scored against Lee in any one game. For her important contributions in this field, Shirley Horton was chosen most valuable player, while Sara Berry and Jackie Hutchinson served the team as captain and co-captain respectively.

# Junior Varsity Hockey

Coached by Miss Fields, the J. V. Hockey team for the second consecutive year, completed its season with only one loss out of six games played. Among other highlights, was the suspensful penalty bully taken by Sherry Fultz. For her skill as goalie, allowing only two goals to be scored against them the entire season, Karen Winer was chosen most valuable player, while Donna Fitz served as captain.

## Girls' Varsity Basketball

Under the watchful eye of Miss Vaughan, the Varsity girls strived to polish J. V. skills or to acquire the new ones necessary to insure a winning season. Captain Jan Pernice served the team with experience as the only returning letterman. Next year's team will begin more fortunate in that it will have an exceptionally strong nucleus of five prominent players around which to work. Not to be equalled though, is the enthusiastic spirit and remarkable sportsmanship so characteristic of this year's team.

## Girls' Junior Varsity Basketball

Considering that only two of the girls had played the previous year, the J.V.'s record of 4 wins and several close losses is a fine tribute to Mrs. Cockerham's first hand knowledge of basketball fundamentals and her girls' conscientious application. Jenny Johnson and Beverly Dietz were high scorers, while Sherry Walters and Becky Monk served the team as co-captains.

## S.C.A.

This year's Student Cooperative Association expanded its functions to better fulfill Lee's need for adequate student government. Under SCA direction, class rivalries brought about an increase in school and class spirit. New channeling of class rivalry, a Junior-Senior soccer game, promises to be very popular as an annual event. Fund drives conducted by the SCA continued this new trend. The result was most profitable for CARE as well as Lee's feeling of self-satisfaction.

Directed by the SCA, the 1963 Homecoming weekend was most successful. Continuing efforts resulted in enjoyable assemblies throughout the remainder of the year. One of the most interesting presented three foreign exchange students, sponsored by the American Field Service, who spoke to the student body about France, Turkey, and Bolivia.

Throughout the year the SCA organized drives to improve the appearance of our school. Under the leadership of a dynamic SCA, Lee had an exciting year.

## Key Club

A club which represents a powerful potential for constructive activity in the service field is Lee's Key Club. Sponsored by the Springfield Kiwanis Club, the Key Club has just completed its fifth year at Lee, working in such fields as landscaping and the printing of cheer sheets for football games. The club also helped the T.B. Association and the Cerebral Palsy Association of Northern Virginia in their annual drives.

The Lee Key Club was host to seventeen clubs in an Autumn Training Conference held here in November. The Lee High Chapter also took an active part at the Key Club District Convention in Richmond on March 13, 14, and 15.

## Keyettes

In keeping with the club's motto, "We Serve", the thirty one Keyettes participate in monthly projects. School activities included a fall fashion show, presented with the Key Club, and draping the trophy case with blue velvet. The Keyette-sponsored Sadie Hawkins' Day Dance was a big success, as was Lee's first turtle race which was held to raise money for the Keyette and Tri-Hi-Y Muscular Dystrophy drive. In April, representatives from Lee's club attended the National Keyette Convention in Washington. This opportunity for learning is only one of the many that Keyettes experience.

## National Honor Society

Membership in the National Honor Society, which is based on scholarship, service, leadership, and character, is one of the highest honors at Lee. The object of the Honor Society is to encourage scholastic achievement, as well as to serve and improve the school.

The club's paperback book store, "Ye Olde Book Shoppe," provides a service to Lee's students and makes possible a scholarship fund which is awarded annually to two graduating members of the chapter.

## French Honor Society

This past year has been one of the most profitable and enjoyable ever experienced by the Robert E. Lee Chapter of the National French Honor Society. A new tradition was begun this year, that of sponsoring on "International Potluck Dinner" in which all the language clubs participate. Another project of the Society was the viewing of French movies in their original sound track.

## Math Honor Society

In keeping with the high standards set for admission into the Math Honor Society, the members have held many thought-provoking meetings. Guest speakers have included an authority on digital computers, from Melpor, and a specialist on probability and statistics. Field trips included one to Atlantic Research. The Math Honor Society is proud of its accomplishments.

# Hi-Y

During this first full year of the Alpha Hi-Y, a great deal has been done towards attaining the high goals which the club has set for itself. As a service club, the fellowship had many duties to fulfill. Improving the school grounds, cleaning and painting the building, and helping at Junior Village were a few of the numerous projects undertaken.

Being in the Hi-Y is not all work, however. A sock hop and a very successful Christmas open house, as well as fellowship camp-outs and other group activities, were sponsored by the Chapter. In all of its activities, the Hi-Y has endeavored to fulfill the aim of the YMCA to "create, maintain, and extend high ideals of Christian fellowship."

# Tri-Hi-Y

A young women's service organization, the Tri-Hi-Y, is devoted to service throughout the school, community, and church. It is with this basis that the thirty-five members meet in on effort to further Christian ideols in thought and action. The Tri-Hi-Y is active in supporting ond maintaining school ond community tradition ond fellowship. It was during this past year that the Tri-Hi-Y porticipoted in the Muscular Distrophy Drive ond the plonting of tulips to improve the appearence of the school. The Tri-Hi-Y was also o leader in the improvement of the cafeterio situation.

## Junior Jargon

Through its efficient reporting of class news, the **Junior Jargon** has done much to unite the Junior class. Published monthly, the **Jargon** is dedicated to keeping Juniors well informed concerning class and school functions. Each edition features an outstanding Junior girl and boy. An advice column and gossip column entertain readers while articles on timely subjects keep the readers informed on school events. The **Junior Jargon** is a tradition and an integral part of the Junior Class.

## Quill and Scroll

Organized last year, the Lee High Chopter of the National Quill and Scroll Society is now under the direction of o new sponsor, Miss Hoagland. The Quill and Scroll honorary society is open to those students working on either of the school publications. The main project of the Quill and Scroll Society is the publication of the **Herald**—the school literary magazine.

"Yon Cassius has a lean and hungry look."

"I sent them out to be pressed."

## Latin Club

The Latin Club is composed of students who take Latin now or have taken it in the past. Its purpose is to develop an increasing awareness and appreciation of the Latin language and to acquire knowledge of the life, customs, ideals, and literature of the Graeco-Roman culture and civilization. It is hoped that many will be prompted to further study in the field of Language Arts through their association with the Latin Club.

The Latin Club is one of the most active clubs at school. On December 13, Saturnalia, a Roman celebration, is held. In May, the Roman Banquet is attended by toga-clad members. Slaves, food, decoration and dress give the dinner the atmosphere of an authentic Roman banquet. In addition, a lively skit is performed annually in assembly.

Lee's popular Latin Club continually amazes the student body with reports of its latest Roman carryings-on.

## Spanish Club

This year, the Spanish Club quickly took advantage of the fact that our exchange student, Maria Alvestique, comes from a Spanish speaking country. At one of the first meetings, Maria gave a short talk on Balivia to help the Spanish students understand her country better. Members have also viewed slides from Spain, enjoyed a Christmas party, complete with pinatas, and entertained themselves at the International Banquet held in the spring.

## German Club

Die Deutsche Ecke (The German Club) is one of the newer clubs at Lee this year and has made a start that will carry on far years to come.

The members of the German Club have enjoyed such things as films, slides, German Festival parties, and a trip to the Embassy.

The third member of the Modern Language Clubs, the German Club is open to any student of German or any student who has been to Germany.

## Future Nurses

Just completing its second year, the Future Nurses Club has been tremendously active. Films covering all phases of the nursing profession prepared members for subsequent trips and speakers. The year's schedule began with a visit to the Washington Red Cross blood bank and various activities for the Red Cross. A course on home nursing proved to be quite popular with all the members. The most exciting events of the year were club visits to various Virginia hospitals.

## Future Homemakers

This year, the members of the Future Homemakers of America have enjoyed many activities, ranging from bowling and washing cars to holding a sock hop and bake sales. In the field of service, the club conducted a Needy Family Christmas Drive and entertained patients at St. Elizabeth's.

## Future Teachers of America

The Future Teachers of America, aside from furthering interest in the teaching profession, also strives to be of some assistance to the teachers here at Lee. In complying with both objectives the FTA has established a program of observing the teaching methods of elementary education as well as offering a student aid program to teachers. In addition to these programs the FTA also sponsors the spring banquet for all FTA clubs in Fairfax county, gives a spring and fall tea for members of the faculty and conducts field trips to the NEA and area colleges. However, the highlight of the year's activities is the annual award given to an outstanding member of the Junior class for his service to the school and the scholarship granted to a senior member of the club for exceptional contributions to the club.

Art Guild models fall fashions.

## Art Guild

The Art Guild is an organization designed to promote the students' appreciation of art. This year, club members represented each class with a hall mural. Slump glass and copper enameling were also among the projects undertaken by the club.

Art Guild members have attended art exhibitions in New York City, Richmond, and Washington, D. C. and have enjoyed a very successful year.

## Thespians

The National Thespian Society is a new organization this year. The purpose of the Thespians is to spread an appreciation of the Dramatic Arts. The Thespians work on plays to earn points for stars. They sponsor an annual one-act play, a three-act play, in the spring, and field trips to the Arena Stage.

## Drama Club

Members of the Drama Club work together to learn the fundamentals of play production. Working in front of an audience as well as behind the scenes, they earn points to be accepted into the National Thespian Society. The Drama Club and the Thespians jointly sponsor a one-act play for area contest and also present a three-act play in the spring.

## Debate Team

This year's debate topic revolved around Medicare to the Aged. The official topic was "Resolved: That social security benefits should be extended to include complete medical care."

The Lee debaters, in aiming for to win this year, collected information and participated in practice debates with other schools. These practice sessions were open to the public.

## Peace Corps

Started only last year, the Peace Corps Club is already very active at Lee. It is one of the few but widely spreading Peace Corps Club in the United States. This year the club had speakers from the Peace Corps itself and from the student resources of this area. They also obtained and viewed a film narrated by Dove Gorrowoy. The club has lived up to its purpose of instructing interested students on the Peace Corps and to further their knowledge of International relations.

## Science Club

Lee is fortunate in having a club as active as the Science Club. During the fall, the club's grounds committee spent several Saturdays working to improve the grounds in front of the school. Besides a general clean-up, the club did some planting and watering.

Recently affiliated with the National Future Scientists of America, the Science Club now hopes to provide more opportunities for those interested in science.

Club meetings usually consist of the showing of various scientific film supplemented by field trips. By trips to the Atlantic Research Corporation, Fort Belvoir, and the Naval Observatory, club members have learned much about the scientific world.

## S.C.C.C.

The Springfield Citizen's Communications Club is the first club of its kind at Lee. The SCCC's members have been very busy this year, corresponding with similar clubs all over the country and helping interested people start their own clubs in other schools. They also made several field trips to Washington and surrounding areas to establish a better contact with other "CB'ers." The club hopes to construct a "shack" in which to house their equipment and use as a meeting place.

All activities of the SCCC have been most successful and club members are looking toward the future.

Row 1: Stan Kampmann (Engineer in Charge), Larry McCann (Treas.). Row 2: J. Wood, J. Moore, Craig Olson (Pres.), Rick Myers (Exec. Sec.).

## Camera Club

Founded just this year, the Camera Club is already a flourishing organization. The club not only promotes interest in photography but also works to improve the photographic skills of its members. The entire club had an enjoyable time gathering candid pictures and movies of the student body. In the spring, members of the Camera Club attended the International Film Festival in the National Guard Armory.

## Chess Club

Striving to acquaint members with the fundamentals of a game which requires study and concentration, the Chess Club holds weekly meetings. Tournaments are held within the club to determine the top players and throughout the year matches are held with the teams of other area schools. Although the Lee team is not always victorious, the games prove to be interesting and absorbing.

## Riding Club

This year's activities of the Riding Club have included visiting horse shows and nearby horse farms as well as viewing many films on famous horses. Highlights of the year included attending the International Horse Show in Washington and visiting the Bar J. Ranch and Al Marah Arabian Horse Farm.

Participating in the Riding Club activities has given the members a greater knowledge not only of horses but also of the great men and women whose life work is devoted to the training and riding of these beautiful animals.

## Pep Club

A spirited student body was the result of the efforts of this year's Pep Club. For the Homecoming Game, a poster contest was held which resulted in one of Lee's most colorful events. Lively Pep Club members, recognized by their arm bands and sometimes rather

exotic attire, drew the school body together supporting all school activities with enthusiasm and interest.

The Pep Club is also characterized by the vast number of people it draws for its Shield picture.

## G.A.A.

Established as a national organization to further interest in sports, the Girls Athletic Association sponsors girls basketball, volleyball, orchery, and tennis intramurals. In addition to activities within the school, club members have participated in various county functions. Among these was a field day at Yorktown High School.

The first profit-making hootenanny at Lee was sponsored by the G.A.A. in November and was a great success. The most memorable event of the year, however, was the words dinner at which the most outstanding members were recognized.

# Lettermen

One of the newest clubs at Lee this year, the Lettermen's Association benefits both the school and the athletes that represent Lee. All varsity lettermen who have earned a letter at Lee are eligible for admittance.

The purpose of the Lettermen's Association is to learn, teach, and promote sportsmanship through athletics. This is fulfilled by announcing games during the week, forming cheering sections at basketball games, caring for the baseball field and track, and maintaining general good spirit throughout the school.

School service is another field of endeavor for the Association. Posters in the halls and in the cafeteria urge the student body to take back their trays and to keep the halls during the day, free of congestion. Monitoring also was handled by the Lettermen.

The Lettermen's Association promises to be a club possessing great school leadership and spirit.

# Tennis Club

Aside from holding a tournament to determine the members of the Varsity Tennis Team, the Tennis Club invited authorities to speak about the strategy of the game and to demonstrate the proper strokes. Beginners were taught the fundamentals of tennis, and advanced players had the opportunity to develop their skills.

In the spring, the Tennis Club practiced as much as possible, and in the late spring, the Varsity team began competition with other schools.

## Service Groups

Many students give up study halls and lunch periods to help their school through the various duties they perform in the office, guidance department, book store, school store, library and clinic. The assistants in the office and guidance departments answer calls, check absentees and perform other jobs which lessen the work of the secretaries. Students working in the bookstore and school store sell books and school supplies before classes begin in the morning and during the lunch periods. Among the many duties performed by the assistant librarians, is taking charge of the involved process of borrowing books, replacing them on their shelves and keeping the library in presentable condition. In the clinic, students help Mrs. Mainwaring by caring for ailing students who need assistance during the day.

## Drum Major & Majorettes

This year, the Majorette squad was represented by a girl from each class, selected for their twirling and marching ability, appearance, personality, and poise.

When the squad competed against squads from all Fairfax County schools, it received the second place trophy.

The majorettes plan to send representatives to the College of William and Mary summer camp for drum majors and majorettes. The squad is also in the process of expanding to include twelve or more members.

## Student Life

We'll remember that this year  
was clothed in herringbone tweed  
on its way to the Hot Shoppes.

There it smoked Winstons  
(until the government cancer report)  
while telling grape  
and pachyderm jokes  
over endless cups of coffee.

Beatles  
(and various imitations thereof)  
stampeded this year  
with their pudding basin  
hair cuts and the  
"Liverpool sound."

Fingernails were cut short  
and hair was cut long

This year did the bird

This year will be remembered

# Homecoming

Homecoming began this year with  
a puff of smoke,  
a kiss on the cheek,  
class rivalries,  
and victory over Madison.

The puff of smoke emitted from  
the many-weejuned-Tri-Hi-Y-  
Chinese-dragon-centipede.

The kiss was planted on  
the cheek of Queen Barbara  
Hollowell by Mr. Parrish.

The rivalries inspired the creation  
of both unique and original floats.

And the score of 33 to 7 over  
Madison  
was entirely the handi-work  
of the football team.

The first prize winning Senior float, "We're expecting Victory!"

The Junior Class float, "Homecoming, Harvest of Memories."

The Sophomore float portraying a loncer and his lady.

## Award Winners

Many of Lee's students have won outstanding awards. Among these are eighteen students who were awarded the Merit Scholarship Letter of Commendation. From these 18, five of Lee's students were selected as semi-finalists and will go on to compete for scholarships.

Beatrice Henderson was selected by the DAR to receive their award for outstanding contributions to her school and community.

Each year the Optimist Club selects two students from Lee on the basis of their service to the school. This year the club selected Sue Cane and Malcolm Murray.

Jay Bell did a research project on the functions of the thyroid and was subsequently chosen as one of the Westinghouse Talent Search Winners. Jay will go on to compete for further scholarships.

Junior-Senior Play

## Slave Auction

The Senior class staged an assembly in which Seniors were sold to revenge-seeking Juniors. The auction was a screaming success (due to a performance by the Roaches, Lee's answer to the Beatles.) The Juniors were able to buy a great variety of charming young people such as Baby Gidge, Shady Sue and Dangerous Deanie, Tiny Tim and Topsy Tom.

## Dances

One of the highlights of everyone's high school career is the prom — either junior or senior. This annual occasion is not the only traditional dance a student can attend. Each fall, there is the Homecoming semi-formal dance and the Sadie Hawkins totally-sloppy dance. In addition to these special-event dances, sock hops of varying themes are frequently held during the year.

# IT'S ACADEMIC

## It's Academic

Lee's "It's Academic" team, comprised of Pom Seekins, Steve Ford, and Mike Peters, defeated its first opponents, George Washington and Bishop Carroll high schools. Lee won with a 50 point lead.

The team was defeated in their second match.

## Hootenannies

1964 saw folk music become a major development in the cultural life of Lee students. Folk enthusiasts carried their guitars everywhere with them but in the lunch line, and P. P. & M. and Baez were discussed almost as much as the Beatles. The haatenanny became a popular means of self-expression since anyone can bang on a guitar and sing loud. Students clapped, stamped, and screamed their way through three official haatenannies and many more of the backyard and dark, dank cellar variety.

The senior haatenanny (228, top) started the ball rolling as seniors screeched through a kind of musical free-for-all, singing the sort of good, clean all-American bawdy songs that Lee students are famous for.

Later on in the year, the G.A.A. included alien (Edisan, Fairfax) talent with Lee's in a "Victary Haatenanny" (228, center & bottom.) Everyone had a gay time, especially Tony Dambrava.

The epitamy of haatenannies occurred in February, when the illustrious Milton 'Uncle Miltie' Grant brought his pack of professional haoters to grace Lee's stage. They were almost as popular as the Lee amateurs and were even heard occasionally over the roar of continuous counter-clapping. Bob Littlehales and Bill Mass (229, top center) were selected to begin an engagement at Basin's.

Long live the Haatenanny! May we go on forever "a whistlin' and a blawin' and a strainin' every nerve."

Beatle music blared in the dressing rooms while on stage the cast sang Gilbert and Sullivan's operetta at the music department's production of the "Mikado"

Mr. Benedict's art classes made the sets for the musical and Mr. Hassel-vander of the dramatics department directed.

Even though the sets had to be constructed at the last minute and Mrs. Farrer of the music department had only several rehearsals with the orchestra before the first show, the performance was remarkably professional. The large crowds that attended the "Mikado" were not disappointed with its humor and music.

# OH, INCIDENTALLY, JUNIORS ARE PHINQUES

Junior-Senior

## Basketball

On March 13, the Juniors and Seniors began the first of a series of basketball games to decide the champion of interclass rivalry. The Seniors won both the girls and boys games with scores of 13-1 and 40-38 respectively, but the rumbles among the boy cheerleaders ended in a draw.

A whipped cream fight started in the girls locker room at halftime during the girls game; soon it spread to the gym and most everyone became involved. Squirt guns filled with colored water and water balloons appeared; pandemonium reigned until Mr. Milan was able to make his way to the microphone and demand order. The rest of the girls game was spent in comparative calm with only furtive attempts on the boys' part to kill each other.

When the boys game began, the girls cheerleaders took over and the boy cheerleaders retired to the locker room. All eyes were on the players as they roared through one of the closest games in Lee's Junior-Senior basketball history. The lead vacillated from one side to the other but the Seniors finally managed to come out on top in the last action-packed minutes of the game.

## Ars Amatoria or "The Art of Love"

On March 20, the Latin Club presented its annual satire on modern life in the Roman style. Club members wrote, produced, and acted in the one hour production. They also designed the sets and costumes; Mrs. Bisaccia directed.

**Ars Amatoria**, or "The Art of Love" was named after a famous Roman poem, the author of which was banished from Rome because of the poem's torrid content. The Latin skit contained the same kind of raw stuff and its authors almost met a similar fate.

In tribute and in memory of John Fitzgerald Kennedy, his vigor, vitality, and concern for the youth of our country, our flag flew at halfmast for thirty days. His will be a guiding spirit behind the nation's scenes for years to come.
